**Description**

Creating lamps is a great privilege. What we do? We create unique lamps. We design. Test. Manufacture and distribute. Our values We believe in a long term friendship – between modern minimalism and nature. Our strengths • The uniqueness – every part of the lamp is designed exceptionally for it. • Quality – all pieces are made by skilled jewelers and craftsmen. • All the objects are made out of natural materials – coconut shells, brass and highest quality plywood. • We are flexible, innovative and willing to customize our items to meet individual needs. • Longevity - we make one of a kind things that serve a life time Our website: [www.skuradesign.com](http://www.skuradesign.com)
