## Description

Our company specialises in production of ladies, men and children garments and home textile in Lithuania. The company has more than 20 years of experience and good combination of strong tradition of quality and service with continual improving of employees' skills. Usually we carry out CMT (cut, make & trim) activities with additional services as pattern making or sourcing of fabrics and trimmings. We have reached the quality that was accepted by such brands as Cecilie Bahnsen, Jaeger, Minilin, Tara Jarmon, Gerard Darrel, Eva Kayan, Jigsaw, Drappa Dot, , Bitte Kai Rand, Reis, etc. Currently we export our services of apparel production mostly to Denmark, Norway, Sweden and France.
