## Description

Baltic Sewing Company - makes men's and women's outerwear (Jackets, coats, raincoats, blouses), home textiles. We are a reliable, flexible and responsible company owned by the Lithuanian Apparel and Textile Industry Association. Production volumes range from a few dozen to a few thousand units. It is convenient to our partners providing us with both large and smaller orders (which requires complex operations in technological terms.) OUR SERVICES: \* Pattern design; \* Sewing of model samples; \* Mass production; \* Dyeing; \* Embroidery. WE SPECIALIZE IN: \* Jackets; \* Coats; \* Semi - Coats; \* Raincoats; \* Sweatshirts; \* Dresses; \* Skirts. OUR GOAL: \* High quality in the shortest time; \* Quantities of garments may vary from tens to thousands of pieces; \* Prompt communication with a client and quickly accomplished arrangements; \* For your convenience we work on CM or CMT basis.
