Description

West Express is a destination management company (DMC) of travel specialists that has gathered two decades of experience to become the leading organizer of meetings, incentives, conferences and other events in the Baltic States. The primary goal of DMC West Express is to ensure the highest professional standards from planning to implementation of different tours and trips. DMC West Express has a network of 20 offices throughout the Baltic region. Each of the offices employs highly skilled, motivated, multilingual staff, ensuring that every client and individual guest is safe, secure and cared for. We are one of the biggest and best-known travel agencies in the Baltic States and the leader of business and leisure travel in Lithuania. DMC West Express is an exclusive partner of BTI since 1999 and an exclusive partner of HRG since 2004. In October 2009 our company has received the international ISO 9001:2008 certificate. This certification guarantees compliance with the highest standards of organization and quality policy. We offer full range of travel services. From interactive incentives to extensive sightseeing tours across the Baltic region, from study trips to pilgrimages. Since our company was opened in 1992, we have developed long-term, multifaceted service with regular clients, whether they are private enterprises, institutions or individuals.
