Description

UAB „UniformPartner“ is a full scale supplier of professional and corporate wear. We offer a wide range of high quality products, from functional underwear to uniform suits and sophisticated protective clothing. Our garments have been successfully used by the Norwegian army, customs, police, fire and road departments. Banks, hotels, airlines, taxi associations, school music bands are also among our respected clients. Our specialty lies in offering our customers a full package of services, such as product development, flexible manufacturing possibilities, quality assurance complying with international standards, stock management both in Lithuania and Norway, and logistic solutions best fitting our customers' particular needs. We work in a close co-operation with well known, recognized and innovative Lithuanian textile and clothing producers, designers, Lithuanian and foreign materials suppliers, transport companies, as well as with accredited textile institutes and laboratories.
