Description

Vikada JSC is a sewing company in Lithuania with long-lasting business traditions. Since 1952 we have grown from small sewing factory to one of the leading companies in the capital city of Lithuania – Vilnius. High quality, flexibility, small orders, rapid supply, competitive prices and trustworthiness in partnership are the favourable factors of successful export of our production to foreign markets. We produce a variety of products: - Woman's wear collections from natural fabrics with our private label. - Casual wear on RTS(ready to sell with customer label) base, where company can offer full service including model design, development of construction and basic pattern, fabrics and trims supplying, sewing production and delivering. - Casual wear on CM (cutting, making).
