**Description**

The International School of Law and Business (ISLB) is a leading university of applied sciences and the largest private higher education institution in Lithuania. ISLB is a recognized higher education provider offering practice-oriented contemporary Professional Bachelor degree programmes in the areas of management, law and communication. All of the programmes offer double degrees with reputable Dutch, British universities as well as a pathway to seek further international education. ISLB is the exclusive provider of the American Hotel & Lodging Educational Institute's (AHLEI) Hospitality Management Diploma and offers a range of AHLEI's other professional hospitality courses and certification in Lithuania. ISLB is also a leading provider of distance studies.
