Description

RM Cargo Baltic, UAB is a freight company that specializes in the moving of freight by air, sea, or land transport. A professional team, customer confidence, and a wide network of partners abroad as well as in Lithuania ensure the efficient attendance of freight entrusted to us worldwide. We represent four logistics networks – Global Logistics Network, Lognet Global, Five Star Freight Systems, and MarcoPoloLine – in Lithuania. By using the global network of partners, we can ensure the expeditious, smooth, and quality freight movement from the place of loading to the place of destination. We apply special rates to goods transported to/from the USA, China, South Korea, Taiwan, Thailand, Japan, Malaysia, Singapore, Israel, Canada, Australia, New Zealand, as well as such other countries. We have close co-operation with all airlines and maritime lines operating in Lithuania, which enables us to offer the best terms and conditions to export goods from Lithuania.

List of products

RM Cargo Baltic renders freight services by air, sea, land and rail transport. We render freight services by interconnecting Lithuania with the whole world as well as between the countries that are relevant to you, e.g. between German and Kazakhstan. We can offer FCL (full container load), LCL (less than container load), or non-standard (oversize) load freight shipping services as well as safe and expeditious delivery of dangerous, fragile, or temperature-sensitive goods.
