Description

We are a team of 200 professionals, operating since 1996 with two main activities - production of solid furniture/components and wooden panels trade We expand our production possibilities and looking for partners for our solid furniture/components: - Kitchen cabinet modules (assembled/flatpacks) - Solid furniture (tables, wardrobes, cabinets) - Solid Furniture parts and components - we do cutting, edging (hot air and SEALTEC technology edging machinery), holes drilling, CNC milling. All the products would be customized to fit your needs, we have a dedicated R&D team in-house.

Business Line

Kitchen Furniture , Kitchen cabinet , Wardrobe, Shelf, table , board cutting , holes drilling , edging , CNC Milling
