Description

VELUM DESIGN is one of the leading manufacturer of stretch ceilings from EU. Our company was founded in 2009 and since then we have completed numerous projects to the utmost satisfaction for our customers. Our flexibility, ability to work quickly and the ultimate focus on our clients led us to gain one of the strongest positions in the market. Currently VELUM DESIGN has two offices and stretch ceiling production bases: • in Lithuania for our European customers; • in Florida, USA for our American customers. VELUM DESIGN focuses exclusively on high-quality, attractive, and affordable custom stretch ceiling designs and manufacture because we believe that all of our clients deserve to get Premium quality and the best services only.
