## Description

The main goal of the management of MB Seeweib and the entire Vacahouse team is to create comfort for customers with high-quality mobile homes, mobile offices, garden houses, saunas and hot tubs. Only a wide range of partners enables the customer to offer solutions with the best price-performance ratio. The products are exported to Germany, France, Great Britain, Italy and Spain. Company MB Seeweib / Vaca.house focuses on the export of prefabricated wooden houses, saunas and hot tubs to all over in Europe. We can offer houses for temporary, permanent or seasonal living. Vaca.house boasts on quality and durability at very reasonable and attractive prices. We at Vaca.house are confident that our wooden houses will surpass anybody's expectations both in quality and price. All wooden houses, saunas and hot tubs are made according to newest standards and manufactured from qualitative materials and certified wood. With a remarkable capacity to produce over 100,000 sq.m of quality wooden houses per year we are able to cater for large volume projects as well as personalised individual needs.
