Description

Lava Drops - Harmony of Whispering Nature. Lava Drops creates not a thing, but a story and a feeling in the shape of a guitar. Lava Drops design a limited-edition, guitar-shaped art work that reflects nature's vibrations. Nature's gifts that reborn in an unseen fusion – a hand-made masterpiece's. Lava Drops is a functional musical art pieces crafted from very rare and exclusive materials to gain the tone individuality, exceptional feeling while playing and inspiration to create. Each guitar is totally handcrafted with love and passion combining black amber, meteorite from the atmosphere, wood that is used for building ships, aircraft aluminum, exotic wood, sustainable wood, lava rock inlays, bell brass and forward looking design. World class players who played Lava Drops: Tommy Emmanuel, Bill Frisell, Steve Morse (Deep Purple) Dominic Miller (Sting), PJ D'Atri, Gregor Hilden, Avi Singolda etc. Lava Drops - Winner of the global Red Dot Design award.
