Description

Raben Lietuva is a logistics operator which offers services for small, medium-sized and large enterprises which outsource comprehensive logistics services. 20 years of experience and recognition gained on the market during that time allow us to build and maintain long-term relations with our Customers following our motto „your partner in logistics“. Raben Lietuva offers comprehensive logistics services - contract logistics, road network (domestic and international groupage and part & full-truck load transport), Fresh Logistics (comprehensive logistics services of fresh products which require controlled temperature from +2°C to +6°C in the whole logistics chain) throughout Europe. We run consolidation projects to optimize costs. We transport many products groups including food, industrial goods, and hazardous goods (ADR). We know how to do it well!

Business Line

Transport & Logistics Solutions
