Description

We design and tailor uniforms since 2005. We have a large assortment of finished and tested apparel models and we have developed strong and reliable relationship with suppliers of technologically modern, high-quality fabrics and additives. We have a long-term collaboration experience, we're growing and learning together with the strongest Lithuanian administrative, financial, airline and telecommunication companies. We create and manufacture corporate clothing together with full service package: ☐ We have created reliable online platform Youniformer.com where client can customize their uniform, manage orders and re-orders very fast and smooth. ☐ All from one hand! We thoroughly think about all parts of the uniform: clothes and outerwear, as well as accessories. ☐ We take care of uniforms storage, stock supporting, delivery issues. All administrative issues are our responsibility. The quantity of uniforms is planned 6 months ahead.
