Description

The main goal of our company is to create comfortable and high-quality leisure clothes. Our clothing brand Chuwak has been well known in Lithuania as a representative of street style since 2010. We produce high quality promotional clothing with customer logos, as well. Nowadays entire market is saturated of poor quality products and we believe that clothing which promotes and represents the brand must be of high quality fabrics, careful production and pleasant to wear. Only in this way greater visibility and awareness can be achieved.
