Therapeutic Approach We believe that tour operators and travel agents have one of the most demanding jobs in the world: if anything goes wrong, they are the ones taking the heat. So how do we make their life easier? At "Baltic Vitalis", our entire business model is focused on eliminating stress, and bringing therapeutic value for our business partners in North and South America, Europe, and Asia: we make the product, you make the sale, and we do the rest while you rest in complete harmony!
