Description

DIRBK DABAR! is recruitment and personnel lease company specialising in the hard industries. The company was born as a project to help construction and personnel lease company in Iceland to solve the need for workers in the late autumn of 2018. Since then we managed successfully to provide working force to partners in Iceland, Norway and Sweden and in the preparation stage for projects in France and the USA. We provide employees for these sectors: 1. Construction; 2. Forestry; 3. Manufacturing; 4. Agriculture; 5. Transportation.
