## Description

In 2016 started as a local manufacturer with an only online store, Gudrutis gained its reputation and attracted biggest TELCOMS in Baltic states. Within a year Gudrutis was sold by Bite Lithuania, Topo Centras (part of Euronics group) and reached an average annual growth of 220% during last three years. Latest product Super-G Blast is our most successful device being sold in various online stores and TELCOMS in Baltic States, United Kingdom, France, Spain, Germany, and Iceland. Being grateful to our trusted partners, Super-G is expanding and looking for a new challenges and opportunities Worldwide.
