## Current export markets

 Belgium

 Germany

 Netherlands

---

## Description

Headex Group was established in 2003, in Vilnius. From the very beginning we strive to provide our customers an opportunity to flexibly plan their human resources taking into consideration the changing market needs. We operate both in Lithuanian and international – Western European and Scandinavian – markets. Our customers are production, trade, logistics, and customer service enterprises.

---

## Business Line

recruitment, staffing, personnel leasing, contracting

---

## List of products

We specialise in hiring, recruiting, selecting temporary staff and in permanent placements. We also provide contracting service for broad range of our clients.
