Description

Nordic Berry revives the values that generations lived with long before Us and promises a long-lasting feeling of delight. The natural mashie is made from berries that natively grow in a frozen landscape of Northern countries, to bring their best taste.

Business Line

Mashed berries to prepare a drink. Delicious hot and cold.

List of products

We have one product and six flavors of it: Sea Buckthorn, Raspberry & Bilberry, Elderberry, Quince, Blackcurrant & Peppermint, Lingonberry & Lemongrass.
