Description

Autoamera – is a family owned retail business that has been in the automotive spare part market for over a decade. Over the years of ups and downs we have gathered specific experience for American market vehicles and we can proudly call ourselves professionals. Experience, customer support, exclusive stock selection and convenient delivery terms are our main goals and advantages that helps us to successfully compete in the market. Every inquiry, no matter how small or big, is being checked by our specific algorithm to increase the probability of lowest price and fitment to 100%. Our warehouse and shop is located in Klaipėda, Lithuania. Over the years we have managed to collaborate with trusted partners across Europe, USA and Asia to offer our customers top notch products with best prices. Please contact us for any inquiry about Your specific vehicle or any business partnership
