Current export markets

 Lithuania

Description

We are coffee roasters from Klaipėda, Lithuania. We own nearly the most modern coffee roasting machine in the country and are willing to provide our customers with coffee from the most exotic countries. Also, we offer the coffee roasting service which could be an alternative for those lacking experience and/or equipment but desired to have their coffee brand.

Business Line

Coffee

List of products

Green coffee beans; roasted arabica coffee; roasted robusta coffee; roasted decaf coffee
