**Description**

Ad Gloriam translation agency offers translation services in Vilnius and throughout Lithuania. We translate from more than 40 languages of the world. Lithuanian-Latvian translations, translations from English, German, French, Russian, Ukrainian, Polish, Estonian, Norwegian, Danish, Swedish, and other European Union languages as well as from Lithuanian into these languages are among the most popular translations ordered in our agency. Our specialists are native translators, and we can also offer services of native editors. Ad Gloriam translation agency provides high quality and professional translation, interpreting and localization services in various languages.
