Description

We represent Lithuania's organic farms and their production: Oils, poultry, eggs, live cattle, honey. We create a community of organic producers and consumers. Agricultural Cooperative BIO LEUA was established in 2018. Cooperative members grow organic cereals, oilseeds, spelt, wheat, oats, peas, rye, soy beans, layer hens, live cattle, sheeps. We represent Lithuanias organic farms and their production: Oils, poultry, eggs, live cattle, honey. Members run their farm in accordance with the national legislation on organic farming and the European Union regulations.
