Description

"Modestina ir KO" is a producer of men's clothes and a wholesaler of ready-made garments. Our aim and philosophy is to bring aesthetics and sophisticated innovation while designing, constructing and manufacturing suits, jackets and trousers for men. Our production is for the modern, cosmopolitan, self-confident and elegant man who seeks high quality and perfection. "Modestina ir KO" is in the process of permanent development, constant endeavor at flawlessness, previously set tasks and new challenges. Company's equipment, latest technology and good quality of the work provide an advantage among other companies and ensure customers' trust and successful cooperation.
