Description

CITYSHEEP – Lithuanian brand, designing and making lifestyle accessories from 2016. We create high quality, functional, aesthetically pleasing and timeless design accessories for Urban people. We work with gently picked natural, long lasting materials: 100% natural merino wool felt and natural full grain leather. Our assortment: iPad cases, MacBook cases, wallets, passport cases, luggage tags, desk mats, charger cases, dog accessories. We are working and producing followed by conscious decisions, sustainability movement and main believes of it.

Business Line
