Description

The Hospital of Lithuanian University of Health Sciences (LUHS) Kaunas Clinics is the largest healthcare institution in Lithuania. Established in 1940, the Hospital has grown into one of the most prominent hospitals in the country. Hospital of LUHS Kaunas Clinics is dedicated to providing the highest quality healthcare to patients from all over the country and abroad. Kaunas Clinics employs more than 1200 physicians and 2500 nurses, who provide care according to the standards of evidence-based clinical practice. The hospital has 35 departments devoted to all medical and surgical specialties, including cardiovascular surgery, neurosurgery and organ transplant surgery. In 2011, the annual number of outpatient consultations increased significantly, exceeding 1.1 million visits and 93 thousand hospital admissions.
