**Description**

We are WOODBIOMA – a family based company for any type of wood products – from matches and lighters to charcoal and torches. We already operate in 26 countries around the globe. We are appraised of being flexible, hard working and reliable. During our 5 years of experience, we have helped hundreds of clients to solve their diverse problems they were facing. We pleasantly invite you to join our family. Try our wood. We are confident 100% you will never regret. Because we feel what we do. And this is where the win-win results came from.

---

**Business Line**

Woodfuel, organic firestarters, wooden decor

---

**List of products**

Wholesale - Ability to supply wide range of wood fuel products helps our clients to expand their business on their local market when they receive various products from one supplier. Private Label - Woodbioma provides design and packaging services for our clients. In last few years our team has made over 100 private label projects. Mixed Loads - More than 30 wood fuel products in our range. 35% clients choose mixed loads - we don't mind!
