Description

Caris printing house was founded in 1994 and is located in Vilnius, Lithuania. In more than 20 years of experience, the company has developed exclusive competencies in manufacturing two major categories: - self adhesive and paper labels; - cardboard packaging. The main production of the printing house is intended for the following products: - strong and low alcoholic drinks (about 80% of production); - non-alcoholic drinks; - confectionery and groceries; - other foods; - textiles; - cosmetics; - chemical products; - pharmaceutical products; - promotion products. We satisfy the needs of worldwide known brand owners in high demand, manufacturers, design and advertising companies.
