Description

PHB Group is an Apparel and Garment Manufacturer established in Lithuania since 2004. The know how of the company is herited from the French technician team who's working for the group since 1978. Our garment production includes shirts, trousers, outerwear (coat, rain coat, down jacket, jacket, ...). Our services are CMT or Fully Factored according to the customer's will. We also propose Pattern design, Grading, purchasing management and logistics services to help our customers focusing on their core business. We work with international up-market brands such as Façonnable, Eden Park, Lacoste, Aigle, Old England, Vanessa Bruno, Carven, Lorenz Bach. To get any additional information, feel free to contact us.

Business Line

Garment manufacturer fully integrated
