Description

BUSINESS IS A COMBINATION OF WAR AND SPORT. (A. Maurois) For that you need: • Good strategy, • New modern weapons, • Elegant and attractive uniform. Visit us – and you will understand, how much you still haven't done for your image and victory. We are a new generation company of advertisement professionals with a long experience in this field. We do not offer typical, standard solutions for our clients: our goal is to stand out you from others and help you win the competitive battle.

List of products

Services provided by "Logoera": Style (logotypes, company's profile, packing); Outdoor advertising (design and manufacture of lightboxes and volumetric lettering, stands); Internal signage; Broad format digital printing; Advertising on cars; Original interior design and manufacture (photo wallpapers, roller shades, non-standart furniture)
